### CPE Incentive Program Continued

The Rio Grande Valley Chapter of the TSCPA is trying to make it easier and cheaper for you to keep up with your annual CPE requirements! You still have to pre-register, show up and pay attention, but we a great incentive program for you to consider that will really help your pocketbook.

The Board of Directors of the Rio Grande Valley Chapter is pleased to announce the continuation of the *Season Pass* CPE Incentive Program. For one low fee, a TSCPA member can attend any (or all) CPE programs sponsored by the Rio Grande Valley Chapter between June 1, 2002 and May 31, 2003. How's that for a deal! We'll make it even better! The fee for this season pass is only \$390.00. There are a few rules, but they are simple.

1. You have to apply for the pass. You will find a registration form at the bottom of this page.
2. Only TSCPA members and their employees qualify for this incentive. Passes are nontransferable. PERIOD! No sharing among members of a firm or anyone else.
3. You still have to pre-register for each course you take. If you register late (or not at all), you pay the late fee and run the very real risk of not getting a course manual.

Is that simple enough? Sign up now and enjoy another great, locally provided benefit of belonging to both the TSCPA and the Rio Grande Valley Chapter!
